

Brewery - Castle Eden, Co Durham, UK (Food Division)

TANKS

Project Overview:

As part of their effort to reintroduce the unique Castle Eden brand of craft beers to the North East of England and after detailed pre-engineering and discussions with the brewery, MGT was chosen to manufacture and supply 8 x 3,300ltr Pressure Rated DPV's and 2 x 1,600ltr Pressure Rated DPV's.

Scope of Project:

- ◆ Design, manufacture and testing of 8 x 3,300ltr Insulated and jacketed Pressure Rated DPV's in accordance with PED 97/23 regulations
- ◆ Design, manufacture and testing of 2 x 1,600ltr Insulated and jacketed Pressure Rated DPV's in accordance with PED 97/23 regulations
- ◆ Comprehensive delivery of all vessels to Castle Eden Brewery in Seaham, Durham UK
