

Project Overview:

In 2009, a well known Irish Brewery contacted MGT and after initial discussions, the decision was taken to order 2 x 150HL Fermentation Vessels and 2 x 130HL Conditioning Tanks. Between 2011 and November 2012 MGT supplied the brewery with a further 8 x 150HL Fermentation Vessels to cope with their increased production as a result of their success.

Scope of Project:

- ◆ Design, manufacture and testing of 10 x 150HL Insulated & Chilled Pressure rated fermenting vessels and 2 x 130HL Beer Conditioning Tanks
- ◆ Design and fabrication of pressurized cooling jackets for all vessels
- ◆ Sea Shipment of 10 x 150HL Insulated & Chilled Pressure rated fermenting vessels and 2 x 130HL Beer Conditioning Tanks from Israel to Cork sea port in Ireland
