

Project Overview:

As part of an ongoing expansion to meet increased production the Managing Director of a Scottish brewery contacted MGT and after consultation the decision was made to procure an additional 3 x 5,200ltr Pressure Rated Brewery Conditioning Tanks.

Scope of Project:

- ◆ Design, manufacture and pressure testing of 3 x 5,200ltr Pressure Rated Beer Conditioning Tanks according to ASME standard for design and manufacture of pressure vessels
- ◆ Design and fabrication of pressurized cooling jackets for Brewery Vessels
- ◆ Shipment of 3 x 5,200ltr Pressure Rated Beer Conditioning Tanks to Felixstowe sea port Israel
