

## Project Overview:

After moving into a state of the art new purpose built building in 2005 a Brewery based in South West England contacted MGT to supply 2 x 140hl Pressure rated Fermenting Vessels to increase capacity at the brewery. This was subsequently increased a year later with another 140hl vessel to add to the existing vessels MGT supplied.

## Scope of Project:

- ◆ Design, manufacture and testing of 3 x 140hl Fermenting Vessels
- ◆ Design and fabrication of pressurized cooling jackets for Fermenting Vessels
- ◆ Sea Shipment of 3 x 140hl Fermenting Vessels Felixstowe sea port in UK
