

Sambrooks Brewery – London, UK (Food Division)

TANKS

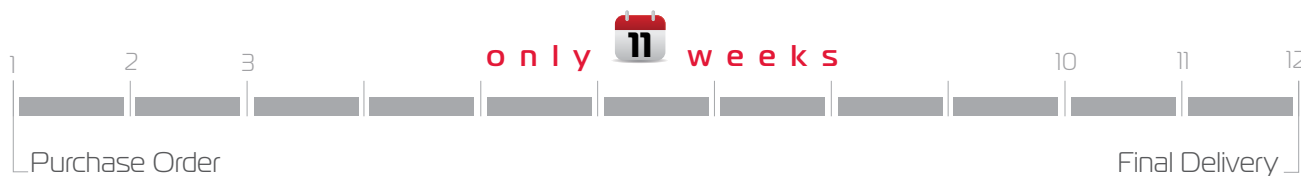

Project Overview:

Sambrooks Brewery was founded in 2008 by Duncan Sambrooks and is based in Battersea, London. Using traditional brewing techniques alongside carefully selected ingredients, Sambrooks brewers blend to create exceptionally tasting, British beers

To meet the ever growing demand for their range of locally brewed beers, Sambrooks contacted MGT and after consultation agreed to purchase 3 x 6,500ltr AISI 304L Stainless Steel Pressure Rated Dual Purpose Vessels.

Scope of Project:

- ◆ Design, manufacture and testing of 3 x 6,500ltr AISI 304L Stainless Steel Pressure Rated Dual Purpose Vessels.
- ◆ Pre-delivery assembly and comprehensive testing of all units prior to shipping
- ◆ Full delivery of vessel and agitator to Sambrooks Brewery, Battersea, London UK
